## BREAKFAST BRIEFS.

A Complete Collection of News Items and Happenings of the Day.

Good time for snow birds now. The city council meets to-night at 8 o'clock.

Go to the Golden Rule for your furnishing goods. Don't forget the Golden Rule when you want fine hats.

The first regular train will run into Chihuahua September 16th.

It is sweet to be remembered, as the man said when the bug bit him.

The Golden Rule clothing house cannot be surpassed for first-class goods of all kinds.

What has become of the sun. We would like to look upon his familiar phiz once again.

Agapito Sanchez dropped dead yesterday morning from heart disease. He was a shoe maker by trade.

The Arcade saloon rejoices in the possession of a red horned toad. It is a beauty and no mistake.

The desks and some other school furniture for the academy was moved from the cars to the building yesterday.

Ben De Cunto yesterday received a barrel of popcorn balls. Ben believes in having things neat and nice as well as tasty.

I. Stern's new business house on Bridge street will soon be ready for occupancy. The chandeliers were hung yesterday.

It is pleasant these rainy days for passengers to stand on the platform, at bridge street, waiting for the hot springs train.

We get more rain every year. The present rain is the most prolonged of any in the recollection of the oldest settlers in the territory.

Among the lively places we struck yesterday was the Golden Rule clothing store. All the brothers were busy waiting on customers.

Now does the weary bum improve each shining hour, taking in the free lunch and holding down the stove at some cozy saloon.

The board of trade will occupy the academy building for holding its sessions. One room is to be fitted up especially for that purpose.

What a pleasant sensation it is to jump off the street cars, slip, and leave your imprint in mud. We have been there and know whereof we speak.

The city board of health met at the court house yesterday afternoon. No business of importance was transacted. The board adjourned until Friday.

An elderly gentleman by the name of "Pap" took a live mouse into the east side dance hall which caused a big commotion among the demi-monde.

The Boston clothing house is making room for an immense stock of goods which has been purchased in New York. The goods will soon begin to arrive.

Colonel Webb, of the *Golden Retort*, wants it generally understood that he has "flopped." Tell us something new, Colonel, we knew all about your flopping propensities years ago.

The can-can and Black Crook is being produced at the opera house at Albuquerque. This shows up well for the dramatic taste of the citizens of Albuquerque.

Mr. W. D. Wilson, of the firm of Curson & Wilson, commission merchants of Los Angeles, California, is in the city in the interest of his house. He is meeting with the best of success.

Billy Burton wears two sets of sleeve buttons, one engraved ivory set and a pair of ten dollar gold pieces. The saloon business must pay. Poor Faber pushers can ill afford fifty cent buttons.

The saloon are feeling the weight of the city ordinances. The United States, territory, county and city taxes make the boys go down into their pockets too often to make it amusing. Grin and bear as they is no help for it.

City licenses are being issued quite rapidly and the treasury is beginning to fill up. Clerk Labadie says he is crowded with business now and he says he does not know what he will do when the numerous applications come in on the first of the month.

Deputy Sheriff Segura and posse returned from San Geronimo yesterday about 4 o'clock. He made no arrests, but brought in several witnesses, who it is thought will divulge the name of the man who perpetrated the deed. Mr. Segura had a long and weary ride through the rain and mud.

A. H. Merrill has organized a class in tagigraphy. He is meeting with the best of success as he should. The class meets at Judge Steele's office on Mondays and Saturdays. All those desiring to take lessons in short hand, should not lose this opportunity. They should also commence at once, in order to get the benefit of the full term.

Mr. Walter C. Hadley, our commissioner at the Denver exposition, is making very creditable efforts to have Las Vegas properly represented. He is distributing papers and documents from this section of the country which will do much towards advertising Las Vegas and the territory. This city should support him in his efforts in behalf of the city.

We heard an old timer remark yesterday that the dining hall at the Exchange hotel reminded him of the days when that place was the stage headquarters and the only hotel in Las Vegas. The Exchange has had the reputation of being one of the best hotels in the west, long before the railroad was even thought of, and Paul is more than keeping it up to its old standard of excellence.

## DID YE HEAR THE SLOGAN?

East Las Vegas Comes to the Front With a Solid Republican Delegation for Prince.

A Large and Enthusiastic Meeting of the Substantial Republicans of the East Side.

A Depicable and Desperate Attempt to Forestall the Will of the People Which Failed.

The little Luna faction in precinct 29, East Las Vegas, which makes so much noise but has so few votes, met with a Waterloo defeat last night right in their stronghold. Previous to the time designated for the primary a desperate and despicable attempt was made to run that precinct in the interest of the few and noisy Luna men and a little greater number of the unwashed, uncombed and unperfected democracy.

But right triumphed as it always does. The time fixed for the primary was 8 o'clock, and the place was not designated in the call as no room had then been secured. Clement's empty room on the diamond had afterwards been secured. A conspiracy had been entered into by the aforesaid handful of Luna men and democrats to organize the meeting before the time. At twenty minutes before 8 o'clock, W. D. Kistler called the meeting to order and nominated Colonel Prichard for chairman. The motion was put and voted upon immediately. A large number of republicans had gathered in by this time, and a motion was made to make Colonel Lockhart chairman previous to the vote on Colonel Prichard. It was entirely ignored. A division was called for, and it was not granted; a ballot was called for and that was refused. It was a desperate attempt to crush out the will of the majority. A motion was then made to have the chairman appoint a committee to make nominations for delegates. A division and a ballot was called for on this motion, but entirely ignored and refused by the chairman. It was an unseemly disgusting and disgraceful outrage on the great majority of the voters present. This all occurred before the time designated in the call. There was but one resort. To secure a room or organize a meeting where voters could be heard fairly whether in the majority or the minority. The room adjoining, of Martin & French was obtained and in it assembled the representative and substantial republicans of the east side. Two-thirds of the voters present at once adjourned to this room.

THE REGULAR PRIMARY was then organized, at 8 o'clock as near as could be determined. Colonel J. A. Lockhart was elected chairman and Dan Hoskins secretary.

Colonel Lockhart on taking the chair made a telling speech. He characterized the attempt to organize the meeting previous to the time and the refusal to allow divisions on questions as proceedings unwarranted by the rules of public meetings and necessarily fraudulent and void and not to be borne by free republican voters. After stating the object for which the meeting had been called, a motion was made to elect delegates by ballot. Motion carried.

M. A. Otero Jr. and Mr. Roberts were appointed tellers. The following delegates were elected to the county convention to be held on Saturday next: J. J. Fitzgerald, Chas. A. Rathbun, L. C. Fort, Jas. A. Lockhart, Geo. Ward and L. H. Waugh. The delegation speaks for the class of men who composed the primary. This meeting constituted the great majority of those who turned out to participate in the primary, and was composed of republicans, the business men and leading citizens of east Las Vegas. They would scorn to stoop to tricks or take a mean advantage. This is the delegation which fairly represents the republican party of precinct twenty-nine. An executive committee was appointed consisting of C. M. Mitchell, T. B. McNair, M. A. Otero, Jr., George Ward and Col. J. A. Lockhart.

THE SNIDE PRIMARY. The spawn of disorder, confusion, violence, fraud and disregard of the rights of others, under the direction of Col. Prichard, the "orator," continued as it began, but rapidly dwindled to an insignificant handful. It likewise selected a delegation consisting of Colonel Prichard, A. G. Stark, P. Sandoval, B. J. Marcus, D. P. Shields, and W. D. Kistler. The executive committee is Captain Decker, Colonel Lockhart, W. D. Kistler, P. Sandoval, F. J. Carr, A. G. Stark and W. D. Kistler.

The attempt to organize the snide primary before the time designated and the total and gross disregard of all parliamentary rules renders its actions entirely nugatory and void.

Last Thursday a terrible accident occurred at El Paso. A young man by the name of Thomas Moth, an apprentice at the paint shops at the Mexican Central depot, in trying to pull himself up on a moving locomotive, missed his hold and swung around under the drivers. The result was a complete amputation of both legs—one, half way between the knee joint and the hip, and the other just at the hip. Death resulted after several hours of intense suffering.

Vote of Thanks. Las Vegas, August 30.—At a special meeting of the G. A. R., a vote of thanks was tendered Antonio J. Bacar for the free use of his hall for the purpose of rehearsing the dramatic entertainment of the society.

J. P. THIESSALD, P. C. J. W. GRAY, A.

The Santa Fe jail is said to be in a bad condition, and is more fit for a hog pen than a place of confinement for human beings.

## PERSONAL.

Woods Smith, of Chicago, is in the city.

James Gentle and wife left for Kansas yesterday.

J. W. Smith, of Leavenworth, is registered at the Grand Central hotel.

D. W. Bell and H. F. Schaefer, of Chicago, are registered at the Depot hotel.

Lord Lock got back from Chihuahua yesterday. He will start a saloon in that ancient burg.

W. J. Land went east yesterday. He will engage in the boot and shoe business in Des Moines, Iowa.

M. Heise and Mr. Marwede came up from the south yesterday. They have just completed an extensive trip.

Calvin Fisk, the king bee of real estate men, came back from Trinidad yesterday. He reports everything prosperous at that place.

Miss Jennie Marshall and mother arrived in the city yesterday. They will be the guests of Mr. and Mrs. Cranston while in the city.

Mr. Geo. T. Koogler and Mrs. W. G. Koogler left on yesterday's train for the east. The latter goes to spend several months visiting her home in Richmond, Iowa.

Mrs. Mary Heidrick, Miss Laura Susan, P. H. Heidrick and P. H. Bihn, Hot Springs; H. R. Price, Pueblo; A. Clark, Canon City, are registered at the St. Nicholas hotel.

E. S. Stoyer, Albuquerque; Geo. A. Elaser, Chicago; J. S. Taylor, Engle; Geo. W. Dallas, Coledge; Chas. Dunner and Henry Dunner, Dodge City; E. R. Wright, Kansas City, are registered at the Plaza hotel.

Military Melange. The G. A. R. men have given up the idea of forming a zovave organization.

The Light Guard have enrolled thirty six men, thirty of whom have been sworn in.

The Light Guard will be put through the rudiments of Upton's tactics at Malbec's hall to-night.

The "Originals" will probably hold their first meeting next Monday night. The rolls now show fifty-six men.

Captain Ed. Friend will arrive this week, when the boys will drill every night, to get in trim for Albuquerque.

A fife and drum band is about to be organized by an old experienced army drummer, who understands his business.

The Light Guard are in correspondence with Devin & Co., New York, regarding uniforms, and will order something nebbly.

The "Originals" will be known as Company A, Third Regiment, unless there be assigned more than ten companies to the Second Regiment.

There are now 23 companies in the regular territorial militia, under the command of Governor Sheldon. They are composed of Americans, Mexicans and Indians.

A strong rivalry will soon exist between the two companies which is all right, and healthy for both organizations. When the companies parade as a battalion the senior captain will have command of the column.

Cattle Drives. One of the first objects of the board of trade should be to secure the Texas cattle drive for the coming season at this point. It is an interest that should be secured for Las Vegas if possible.

If the extensive fences which are being erected on the plains prevent a free drive to Dodge City, this is the next best point on the line and proper arrangements will secure this end. No one can secure this so well as the board of trade. We have every facility to accommodate the large herds of cattle which are driven to cattle shipping points. There are no fences to interfere with the drives and our water and grass facilities could not be better. All that we lack is the proper stock yards and reasonable freight rates. These can be secured. If this city can be made the shipping point for New Mexico and the Panhandle of Texas it will be worth more than a railroad. It will bring us more money. This city has the advantage of the Hot Springs, which will always be a pleasant resort for drovers.

A movement is on foot to do away the toll gate at Otguin hill. This is a very necessary step as a good deal of the money which made that hill passable was subscribed by merchants of this city and they should receive the full benefits of the traffic that would naturally come over the road. There is much work for a board of trade in this city.

Masonic. A special communication of Chapman Lodge No. 2, A. F. & A. M., will be held this (Thursday) evening, August 31st, at 7 o'clock, for work in the E. A. degree. Visiting brothers are cordially invited to attend. By order of the W. M. C. E. WESCHER, Secretary.

We received a telephone dispatch, last night, requesting us to mention that Lute Wilcox received yesterday as a birthday present a diamond scarf pin and an elegant ring.

There is some prospects that a revolution will break out soon in Sonora. Well, let her come. We are glad we don't run a newspaper shop there.
